2 I can't take that much time off work. The 3 days will be hard enough. Esp with less than 3 weeks notice of leave. I was happy to be told if i wanted i could have 5-7th. It would be fun though.

6 I live in Post Falls, Idaho, just off I-90. Anyone with space going near me? I figure up right on the way for Washington folks. I really want to go, but finances are super tight, just like a lot of people right now

▼ you can use the same instructions to join the TX state room instead of the WA state room. I believe they leave on the 4th, I'm not really involved in the plans for Texas too much, so I don't want to get anything wrong, just join the room and they'll be able to get you squared away.

▼ If you need help getting onto Matrix, I can help, I had a tough time getting in when we first switched from Discord to Matrix. There's a way to do it on mobile and a way to do it on a computer and they're different. The element user interface on mobile is trashy so that's why it's recommended to use a computer, but it can be done on mobile. I have it set up on both and can help if you get stuck on whichever you try to do.

2 When I go to that'll, I get

▼ Welcome to nginx! If you see this page, the nginx web server is successfully installed and working. Further configuration is required.

For online documentation and support please refer to nginx.org. Commercial support is available at nginx.com.

Thank you for using nginx.

And when I try to find it in the app, it finds nothing

▼ So you don't go to the URL matrix.donaldsarmy.us, but you enter it into the field "Host Server URL" under the Advanced Options when creating a new account.
